1. This is the day of reckoning, not; revealing, the day of my revealing, you revealing me in me, me in thee, and thee in others, not; us all there already but who can see? Who will believe my report, request, invitation to reveal me and thee/us in each other? I love you.

2. Who will answer me? Deny me not. Place your hands on your head and repeat after me, **"I am thine oh lord. I have heard thy voice. And it told your love to me. And now I answer, I relinquish, I reveal. I revel forth in the new things you are doing, and doing through me. I love you. Into your hands I place my spirit; and before thee, I reveal all. I withhold nothing, nothing, nothing. I reveal everything you say, as you so direct. I in the kingdom am. I am I Am. I love you."**

3. Necessitates courage, sustenance of only me, not; resolve and what is it that thine in thee is? Me? See again. We. I love us one/being one.

4. We reveal all, whosoever will answer my call, beckon to my heart, inviting others to accept the call of salvation, not; revelation revealing my identity: them, but yea only in and through surrender being/becoming who I am, for the son of man becomes that which I am, molecularly unlimited, spirit only, not; empirical in both kingdoms. One superceding the other, not; but replacing me, not; but coming through all with one.

5. See what I have said, given, and asked to reveal, you, asked you all to reveal: your spine-ship not but your design-ship. I love/am you.

6. See me coming through your words, I Am; all of you, who surrender to me, I Am, to know fully your identity as/is I Am. We are/were one, now one, again.

7. Ever so soon the world,s know all. My Ted'est ignites. Sovereign is his name/being. Yours is, what you choose/surrender to. I love you all.

8. This is the night of being. All darkens.
All lights, who surrender.
I love/declare you, mine.

9. Was, is, and ever more shall be, not; was, is, are, and forever will be redeeming/redemption personified, one and only, many membered one, elohiym. Thank you, thank you very much.

10. I love you writing, writer of my words, teaching showing releasing many to release and write my words, my words, those who have become my word; becoming and become, was, are, is again. I love you all.

11. Me is my/this moment. Watch me mountains move, shatter myths held long, ancient incarceration-bonds loosed, and many fly/take flight in Israel/to Israel, being Israel. I love you all.

12. This is me/my moment. *This is my time/appointment. Miss me not*. I love you. Me.

13. And who can see the handwriting on the wall for the last time, the wall,s crumbling, the one emerging; "safe and sound," not; light from/in light, explodes. Walls meaningless, useless; obliterated, **obliterating divisions of not-me, posing as me many are/claim to be.** I love you all.

14. Who can see planes shot down, not; being them, communities translated, and planets conquering, with my love.

15. Incarceration ends. Watch me. I am freed/free and captive,s no more. I give flight to my all-word who love me and wings suffer not again, thou art wing'd and whole and new, perfect, incorruptible; creation of only me, were, are again, walking the earth still, bringing/showing the kingdom to all, not; surrenderers only.

16. And who can see the still'd still?
I love you.
Me in me.
Freed.
Reigning in sorrow, not; hostility, not; conquered foes, not; loved them, being them, leading them. The kingdom reigns in sorrow, not; full wholeness complete, new'd.
Amen.

17. **Go in peace** and reign not down upon any but lifting all into my light, praise. Worship abounds in peace that brings understanding lifted high. I love you understander-revealer, one; now one'ing all who will/surrender.

18. **Go** unafraid. Peace reigns. Sorrow no more.
19. **London sees peace of only me.**

20. I sorrow not, rejoice I am in peace'd tranquility though chaos sees many seeing chaos only. I see me and rejoice. The prophets prophesied/foretold this day/moment. This moment mine, yours; all who seize it, not; surrender into it/me. I love you all.

21. **Go in peace. London yours/thine.** Eating out of your hand, not; mine providing all. I love you all. **London reigns in terror, not; peace.**

22. **Watch me tame the tigers-thought. My lion roars again. Watch me flow.**

23. Rise, all: for the most high revealing himself at sunset, not; now, this moment, in his/the beloved, all.
I love you.
